Each weekend is a concentrated course that allows you to go deep into the practice of yoga, enhancing your knowledge and honing your practice in a wide range of topics – from alignment and anatomy to philosophy and meditation. The basic principles of teaching yoga will allow you to start developing and practicing your yoga teaching skills. Most health clubs and some yoga studios will accept this basic training. Additionally, you will be required to do a minimum of 2 hours homework a week, start a home practice and observe 4 hours of classes.

*If you signed up for the main module you can continue into the Advanced Module for \$1,400 which is due the first day of training.

Monthly Payment option/installments are available please speak with Laurie.
